

Generate a Quote with the Investors Title Rate Calculator

invtitle.com > Resources > Rate Calculator
User Guide: invtitle.com/docs/calcguides.pdf

Calculate a Quote in Just a Few Simple Steps

1

On the Quote/Order Request screen:

- ▶ Enter either the *Zip Code* OR the *State, County, and City*.
- ▶ Under “Loan Information,” choose the *Transaction Type* and *Policy Type*.
- ▶ As applicable, enter the *Sales Price* and/or *Loan Amount*.
- ▶ Enter the prior policy information, if applicable.
- ▶ Choose the desired endorsements, if any.
Add other endorsements through [Add Endorsement](#).

2

[Get Quote](#)

3

Respond to the policy and endorsements/title fee questions.

4

[Next >>](#)

5

If desired, select [Print](#) to print the quote OR note the quote # to return to the calculator at any time and retrieve the quote through “Existing Quotes” on the left-hand side.
