

Dan Hornfeck Joins Investors Title as Senior Vice President – National Markets

FOR IMMEDIATE RELEASE:

Chapel Hill, NC – W. Morris Fine, President of Investors Title Insurance Company, recently announced that Dan Hornfeck has joined the company as Senior Vice President – National Markets. Based out of the Chapel Hill headquarters, Mr. Hornfeck will work closely with the National Markets business development and operations team to manage and expand existing and create new agent relationships.

Prior to joining Investors Title, Mr. Hornfeck worked for 22 years in the banking industry, serving most recently as executive vice president and chief credit officer for a large community bank. He has extensive experience with leadership, management, strategic planning, risk management, and project management.

Attending on a Naval ROTC scholarship, Mr. Hornfeck earned a Bachelor of Arts in International Studies from the University of North Carolina at Chapel Hill. Prior to entering the banking industry, Mr. Hornfeck served as a Naval Flight Officer in the United States Navy.

“We are very excited that Dan has joined the Investors Title team. We have known and enjoyed working with Dan as a customer and partner for several years and are confident that his experience, skills, and knowledge will contribute substantially to the continued profitable growth of our National Markets Group,” Morris Fine said.

Investors Title Company is a publicly held company whose stock is traded on the NASDAQ National Market (Symbol: ITIC). The Company is engaged in the business of issuing and underwriting title insurance policies through its subsidiaries Investors Title

Insurance Company and National Investors Title Insurance Company. Policies are issued through 27 company-owned branch offices and a network of agents located across 27 states and the District of Columbia. Title insurance is typically sold when real estate is purchased and protects owners and lenders from losses due to covered risks related to the title of the real estate.
